

## SECURE DATA TRANSFER

Easy connectivity

Efficient data capture

Integration tool with WMS/ERP

HIGH STORAGE CAPACITY

EASY TO USE

CONTINUOUS WEIGHING  
DATA WEB UPDATE

**Guarantees both secure data storage and data transfer of the weighing data from the weighing system**

### Features

- Provides data download through a web interface in CSV format (Excel compatible).
- Data storage capacity of up to 100,000 weighing records.
- Wifi W-Lan or Bluetooth real-time data transmission to the company in-house IT-system.
- Web interface with live display of weighing results.
- Easy access to web interface via WIFI hot spot.

### Optimized material handling

The DataMatic was developed to store the weighing results of the TESMATIC mobile weighing systems, and to create a secure data transfer to the company IT-system.

Data transmission can be achieved by a W-lan connection, Blue tooth or a cable wired transfer is alsoan option.

# SECURE DATA TRANSFER

## How it works

OPTIONAL

### USB download

Download the weighing data with an USB flash drive.

OPTIONAL

### GPRS/ GSM

GPRS card for data transfer in areas with no wireless access.

OPTIONAL

### GPS

GPS module for pairing of the weighing data with the GPS location of the vehicle.

OPTIONAL

### RFID readings

RFID readings when a forklift drives close to a RFID tag for automatic taring of a container or similar applications.

OPTIONAL

### Bluetooth [HID]

Receive weighing data live as HID input [raw format] on handheld terminals & other devices.

OPTIONAL

### Barcode scan

Scanner module for pairing weighing data with barcode data.

OPTIONAL

### API

Web service, push of data to ware house system [XML, JSON, CSV.]

OPTIONAL

### Tailor-made

Custom software: tailor-made applications for your business process.

## Technical specifications

CPU : .2GHz 64-bit quad-core

Memory : 1 GB LPDDR2

Power supply : Direct from weighing indicator.

### Case Dimensions

Length : 104.95mm

Width : 74.95mm

Height : 36.00mm

Protection class : IP65

## Options

ALUMINIUM CASE

WATER PROOF CASE
